DEPTEL 1451 Dec 9.

Re second part protocol provision, FONOFF requests addition to cover trade with islands because JG wishes relax restrictions on shipment certain commodities and requirements for processing contracts and compensating trade between Jap and Ryukyus. FONOFF states JG hopes soon greatly simplify trade procedures with islands. FONOFF suggests protocol read "(B) the native inhabitants and vessels of, and trade with, the islands mentioned in Art 3 of peace treaty." Emb recommends acceptance and will appreciate earliest reply.
